BA in Computer Science, Minor in Creative Technology and Design

Education
University of Colorado, Boulder (August 2019 - May 2022)   Cumulative GPA: 3.51
Elon University, Elon, NC (August 2018 - May 2019)

Work & Internship Experiences
Twitter, *Software Engineering Intern,* Remote   *June 2021 - August 2021*
- Selected as one of the 200 summer interns out of 11,000 applications
- Interned with the Customer Journey Experience Team as an iOS Engineering Intern
- Fixed bugs and conducted tests on Twitter's Share to Instagram, Share to Snapchat, and Google Single Sign-On features
- Completed my intern project for improving Twitter's share sheet capabilities

Cabana Health, *iOS Swift Developer Intern,* Remote   *October 2020 - February 2021*
- The Cabana Health iOS app syncs wellness data to allow users with similar health goals to form teams called "cabanas"
- Assigned tasks such as adding parts to the app or solving bugs in a given timetable
- Added "cabana" signup features and improved the app's backend interaction to achieve a quicker user experience
- Website: https://www.cabana.health/

Loggerhead Marinelife Center, *Application Developer,* Juno Beach, FL   *May 2016 - May 2018*
- Designed and developed an iOS application for the Loggerhead Marinelife Center, a nonprofit dedicated to protect and conserve South Florida's coastal ecosystem
- Integrated third-party services such as Mapbox, Twitter, Parse, Fabric, Mongo DB, and Google Analytics
- Website: https://goblueapp.wixsite.com/goblue

Cisco Systems Job Shadowing Internship, *Intern,* Research Triangle Park, NC   *July 2017*
- Shadowed Cisco Cloud Engineers and Data Engineers for three weeks
- Accepted as one of the few students for the highly-selective experience

Activities & Organizations
Phi Gamma Delta, *Member / Treasurer,* Boulder, CO   *September 2019 - Present*
- Elected to Treasury position in September 2021
- Tasked with documenting and managing all expenses for the fraternity
- Helped create weekly expense updates to give to the fraternity's Board of Directors
- Helped create an expense plan to survive the COVID-19 shutdown

Elon University Computer Science Club, *Member,* Elon, NC   *August 2018 - May 2019*
- Attend weekly meetings and work as a team to solve university-level programming problems
- Compete in regional programming competitions

Honors & Awards
University of Colorado, Boulder Arts and Sciences Honors Program   *Fall 2019, Spring 2020*
Elon University Dean's List   *Fall, Spring 2018*
Elon University Academic Scholarship Award Recipient

Community Service
